

MEMORANDUM

SUBJECT: Peer Review Entitled, “**Investigation of Ground-water Contamination near Pavillion, Wyoming**”

FROM: David G. Jewett
Acting Director

TO: Dr. Jennifer McIntosh
University of Arizona, Tucson

Thanks for reviewing the EPA Brief entitled, “Ground-water Contamination near Pavillion, Wyoming due to Hydraulic Fracturing,” by Dominic C. Digiulio. Your comments, along with those received from other reviewers, will be most helpful to the authors as they incorporate suggested revisions into the final product. We appreciate the very thorough, in-depth review.

cc: Dominic C. Digiulio, Principal Investigator
